**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No to price hikes that will increase the cost of internet and phone services, cut off competition and stifle the ability for small companies to share information with their customers. Local broadband customers deserve a free and open internet - it would be incredibly dangerous in a democracy for the internet to be entirely owned and run by a few large companies.

I am opposed to opposed to the proposed change called forbearance.
